

Saturday Time Sheet policy

Saturday Competition Guidelines – Priority for full members:

Barwon Valley Golf Club has a healthy growing membership of active full members.

The number of full members is well in excess of the available 220 competition timeslots available on Saturday.

Barwon Valley Golf Club has introduced the following measures, to ensure full members get priority over everyone else, wishing to play in the BVGC competition on Saturdays.

BVGC Inc 'Full member Exclusivity Period'

BVGC full members will receive a 100% booking exclusivity period, for the nine days (at 3pm) from the timesheet opening, until 9am the day prior to the competition. This also includes the 5 timeslots reserved for the women members' competition.

Member's Guest: 7- day members may book in one guest if space permits, from 9am the day prior to the competition. Guests are permitted to play in the competition if they have a valid Golf link handicap.

Visitors: If a visitor has a valid Golf link number, they will be permitted to play, if there are vacant tee times in the field, as of 9am the day prior to the competition, or as otherwise approved by the Golf Operations Manager or the Club Captain.

Reciprocal Club members will have access to the Saturday competition from 9am the day prior to the competition, or as approved by the Golf Operations Manager or Club Captain.

Social golf bookings are permitted after 1.30pm, or at the end of the competition field, as determined by the Golf Operations staff.
